About this vehicle

From Atlas Motorhomes, Glasgow's Auto-Trail specialists. We hire and sell Auto-Trail, and nothing else, so we know these vehicles inside out.

This is our 2026 Auto-Trail Expedition C72, a 7.26m Hi-Line family coachbuilt on the Fiat Ducato and the one for a full family. It sleeps up to six: a Luton over-cab double, a front lounge double, and a rear U-shaped lounge that makes a large double. Two lounges, front and rear, mean there is always somewhere to sit, eat or stretch out, with four belted travel seats and a central washroom and kitchen. The 2.2 MultiJet with the Fiat 8-speed automatic makes it an easy drive. Finished in Artense Grey metallic on 16-inch alloys.

It comes from our own hire fleet and is only months old: professionally fleet-managed and multi-point checked between hires, with full service history. Mileage is low, around 11,000.

It is generously equipped: Truma Combi NEO heating with on-demand hot water, a Pioneer 9-inch touchscreen with Apple CarPlay and Android Auto, a reversing camera, cab air-conditioning, full cab blinds, Isofix, a 21.5-inch Avtex Smart TV, an 85-litre fridge with a full oven and grill, and twin 95Ah AGM batteries with 200W of solar for off-grid.

The warranty transfers to you: Auto-Trail's 5-year conversion and 5-year body-integrity warranties to 2031, plus the Fiat chassis warranty to April 2028 (T&Cs apply). Finance is available, ask us for details. A £1,000 deposit secures it, with delivery to be agreed for autumn 2026.
