About this vehicle

From Atlas Motorhomes, Glasgow's Auto-Trail specialists. We hire and sell Auto-Trail, and nothing else, so we know these vehicles inside out.

This is our 2026 Auto-Trail F-Line F60, among our newest stock: a compact 5.99m low-profile coachbuilt on the Ford Transit. It sleeps four across an electric drop-down bed and a front double, with a half-dinette giving four belted travel seats and a separate, fully enclosed washroom. The 2.0 EcoBlue with the Ford 8-speed automatic makes it an easy, car-like drive. Finished in Moondust Silver on 16-inch Ford alloys.

It comes from our own hire fleet and is only months old: professionally fleet-managed and multi-point checked between hires, with full service history. Mileage is low, around 11,000.

It is generously equipped: cab air-conditioning, full cab blinds, Isofix, a colour touchscreen with Apple CarPlay and Android Auto, a 21.5-inch Avtex Smart TV, a 150-litre fridge with freezer, a full oven, grill and microwave, the FordPass app, and twin 95Ah AGM batteries with 200W of solar for off-grid.

The warranty transfers to you in full: Auto-Trail's 5-year conversion warranty and its 5-year body-integrity warranty, plus the Ford chassis warranty (T&Cs apply). Finance is available, ask us for details. A £1,000 deposit secures it, with delivery to be agreed for autumn 2026.
