About this vehicle

From Atlas Motorhomes, Glasgow's Auto-Trail specialists. We hire and sell Auto-Trail, and nothing else, so we know these vehicles inside out.

This is our 2024 Auto-Trail F-Line F72, a 7.33m low-profile coachbuilt on the Ford Transit. It's a sociable twin-lounge layout, sleeping four across an electric drop-down bed and a lounge double, with a half-dinette giving four belted travel seats and a separate, fully enclosed washroom. Finished in Moondust Silver, with the 2.0 EcoBlue and the Ford 8-speed automatic, it's an easy, car-like drive.

It comes from our own hire fleet: professionally fleet-managed and multi-point checked between hires, with full service history. That is the answer to any question about mileage, which is around 25,000.

It is well equipped, with cab air-conditioning, full cab blinds, a colour touchscreen with Apple CarPlay and Android Auto, a 150-litre fridge with freezer, a full oven, grill and microwave, 200W of solar and the FordPass app. The Luxury Pack adds a TV aerial and loose-laid carpets.

The warranty transfers to you: the balance of Auto-Trail's 5-year conversion warranty and its 5-year body-integrity warranty, plus the Ford chassis warranty (T&Cs apply). Finance is available, ask us for details. A £1,000 deposit secures it, with delivery to be agreed for autumn 2026.
